MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

VIA : Executive Director

FROM : Robert M. Gates
Deputy Director for Intelligence

John Stein
Deputy Director for Operations

SUBJECT : Nonruling Communist Parties
and Activities

1. Action. No action required, for your information only. 

25X1

2. Background. In response to your memorandum of 5 March, the DDI's Office of Soviet Analysis and the DDO's International Activities Division have prepared a joint memorandum that evaluates the activities of nonruling Communist parties and assesses the support of these parties for Soviet interests and policies. In addition to providing an Overview of Soviet links to key nonruling parties, we have included two Annexes that respectively survey the nonruling parties on a regional basis and detail Moscow's coordination mechanisms for directing party activities in support of Soviet policy objectives.

25X1

3. The memorandum does not address potential countermeasures for dealing with the activities of these Communist parties. 

25X1

4. We propose publishing the memorandum, with deletion of certain operational data in the Executive Summary, as a DDI/DDO Research Paper.
